Gentlemen:

This will acknowledge receipt of the information contained in your letter of 5 July 1974 on the referenced matter, and to advise you of my decision on this matter.

I have reviewed this case carefully and taken into consideration the facts that you presented. From the information reported, it is apparent that a violation of Section 311(b)(3) of the Federal Water Pollution Control Act, as amended, Public Law 92-500, did occur.

After a review of this entire incident and all facts presented, a civil penalty of \$125.00 is considered appropriate in this instance and is hereby assessed.

You are entitled to appeal this decision to the Commandant, U.S. Coast Guard. Should you decide to do so, the appeal must be submitted to this office. The Commandant will be provided with your entire case file. Your appeal should include the reason or reasons you consider the actions of this office inappropriate.

Payment of this penalty may be made in person or by check or money order payable to the U. S. Coast Guard and forwarded with a copy of this letter to the above address marked, "ATTENTION: COLLECTION CLERK, PCN PD-068-74." Your payment must be received in this office no later than 30 days from receipt of this letter. If, by that time, you do not either (a) pay the assessed penalty of \$125.00 or (b) make an appeal in writing to the Commandant, U.S. Coast Guard, the case will be referred to the U. S. Attorney for
